DETAILED ACTION

Remarks

In response to communications filed on October 26, 2009. Claims 1, 3-4, 18, and 20-21 are amended; claims 29-34 are added and claims 2, 5-12, 14-16, and 19 are cancelled per applicant's request. Therefore, claims 1, 3-4, 13, 17-18, and 20-34 are presently pending in the application.

Reasons for Allowance

1. Claims 1, 3-4, 13, 17-18, and 20-34 are allowed.
2. The following is a statement of reasons for the indication of allowable subject matter: the prior arts of records, neither anticipates nor renders obvious the following limitations as claimed:

As to claim 1, the prior art of records fail to anticipate or suggest the collection of records includes a file metadata file that includes one or more variable-length records associated with those file system elements that are files and a directory metadata file that includes one or more variable-length records associated with those file system elements that are files; and the record includes metadata associated with the file system element; determining whether the file system element is a file or a directory; using the determined offset to retrieve the record from the collection of records on a storage device, including by retrieving the record from the file metadata file at the determined offset in the event the file system element is a file or by retrieving the record from the directory metadata file at the determined offset in the event the file system element is a directory, together with the other limitations of the independent claims.
